RE: Case No. 2007-00430
American Electric Power
(Transmission Line Certificate)
138 kV Transmission line in Knott County (Soft Shell)

On November 16, 2007 the Commission received a filing from American Electric Power. That filing was inadvertently noted on the Commission's Docket as being received on October 16, 2007. This case has since been corrected to reflect the correct received date of November 16, 2007. Please disregard the acknowledgement letter which was sent to American Electric Power on November 19, 2007. We apologize for any inconvenience that this may have caused.

If you have any questions regarding this matter, please contact my staff at (502) 564-3940.

Sincerely,

A handwritten signature in black ink, appearing to read "Beth O'Donnell", with a large, stylized flourish at the end.
